This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes. Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

HEIGHT DIVISIONS

Owners/Agents are responsible for entering the proper height divisions.

REGULAR	PREFERRED	INFORMATION
Exhibitors may choose to enter their dog in a higher height division than required by AKC, but not in a lower height division than the AKC mandated height.	The following jump heights shall be used in all Preferred classes.	Owners are responsible for entering their dog in the proper height division For dogs measuring ...
8"	4"	For dogs 11 inches & under at the withers
12"	8"	For dogs 14 inches & under at the withers
16"	12"	For dogs 18 inches & under at the withers
20"	16"	For dogs 22 inches & under at the withers
24"	20"	For dogs over 22 inches at the withers
24C"	---	Dogs who measure into the 24-inch regular jump height division are not eligible to enter 24-Choice.

NOTE: Handlers whose dogs measure into the 8" through 20" regular jump height division may optionally enter in 24-Choice (24C) jump height at their discretion.

☺ Simplified Jump Height Card Process ☺

If your dog needs to be measured, check the box at the top of the entry form so that your dog is placed on the Measuring List. *It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.*

**It is the exhibitor's responsibility to have their dog measured prior to running.
Failure to do so will result in the cancellation of any qualifying scores.**

NOTICE TO EXHIBITORS

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any entry fees will be made. Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for being at the ring gate when it is their turn to run. No classes will be held up by a late exhibitor. Umbrellas are not allowed on the course during walkthroughs. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. No dogs may be left tied to trees, cars, fences, etc. Dogs under 4 months of age are not allowed at this trial.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG)

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

Entering For Exhibition Only (FEO)

GWDC/BACV are offering FEO for T2B & FAST

- FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

SITE INFORMATION

- Please read the GWDC/BACV May Trial Instructions and Guidelines (see below). If you do not feel you can comply with these requirements, we look forward to seeing you at a future GWDC/BACV event.
- **Crating:** Priority will be given to club members and volunteers. If there is additional space it will first come first served. Please conserve space. Please fold personal chairs when not in use and do not block aisles. Remove your crates when you are done running/volunteering so exhibitors later in the day have somewhere to crate.
- MACH/PACH cakes allowed.
- Do not park in front of any gate or doorway.
- Respect the traffic cones when parking – they are marking the turning radius for truck traffic.
- Do not potty your dogs on the neighboring tenants' lawns.
If you are caught, you will be asked to leave for the weekend and forfeit your runs.
- The show site is climate controlled indoors on turf flooring. There is a warm up area for all exhibitors.
- All turf accidents must be reported immediately and \$5 clean up fee paid.
- Dogs must be kept on leash when not in the ring.

GWDC (Greater Washington Dalmatian Club), BACV (Belroi Agility Club of VA), & LUDS (Level Up Dog Sports) have put in place the following procedures for our agility trial at LUDS for the safety of our exhibitors and adherence to government, state, and CDC ordinances and guidelines. Rules and guidelines are subject to change and we will keep you updated with any changes that occur prior to closing should you wish to withdraw your entry.

If you do not feel you can comply with any of these requirements please do not enter our trial, we will look forward to seeing you at a future trial.

If you have been vaccinated, masks and social distancing is no longer required on property and in the building.

MASK REQUIREMENT

If you are fully vaccinated against Covid-19 you do not need to wear a mask inside the building, or at the trial site, but it is highly recommended.

If you are NOT vaccinated against Covid-19, masks must be worn at ALL times including when running your dog. Masks must fully cover your mouth and nose. You may remove your mask outdoors and away from the building if needed. Please practice social distancing at all times when you are inside the building.

Rules and guidelines are subject to change and we will keep you updated with any changes that occur prior to the trial.

We will be using the Agility Gate app for an electronic gate.

Exhibitors are responsible for arriving on time for their walk-thrus and runs.

There will be no paper course map copies. Maps will be posted on the Agility Gate app the day of the trial. We will also have a posting copy on the wall for those exhibitors wishing to take pictures of the course maps. We will be using the Agility Gate app for an electronic gate. REMEMBER: Agility Gate is only electronic aides.

See Site Information for information on crating in the building. If you plan on running your vehicle, please park so your exhaust does not go into another vehicle.

One way entry/exit as follows: Enter the building on the parking lot side and exit on the other side where the street goes between the buildings.

We will be lining up the next five dog & handler teams to run. Please respect each team's space in the queue. Exhibitors are responsible for arriving on time for their walk-thrus and runs.

LUDS will sanitize equipment and LUDS will disinfect all surfaces, including the floor and equipment, before the event and after each day of the event using EPA-registered disinfectants.

Please bring with you the following:

- Lunch, Snack & Drinks
- **A leash** that fits in your pocket or around your waist or cross body during your run. Per AKC guidelines: "exhibitors may choose to place leashes in their pockets or wear them (around waist, cross body, etc.) during their runs. If the dog grabs the leash, this will be scored as "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog were to grab it." A leash-runner will be available for exhibitors who do not wish to carry their leash while on course.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine PartnersSM** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine PartnersSM** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
