A concession stand will be open during trial hours, and there are a number of restaurants and fast food establishments nearby. Clemson restaurants and lodging establishments are roughly 4 miles to the west; Anderson restaurants and lodgings are roughly 8 miles to the east.

- Please pick up after your dogs so we can continue to use this wonderful facility.
- **No smoking/vaping within 50' of the building.**
- Exhibitors caught not cleaning up after their dog will be asked to leave the trial grounds. No refund will be given if this occurs.
- Flexi-Leads **MUST** be kept at the **2' LOCKED** position when used **IN** and **NEAR** the building.
- Canaan Dog Club of America will not be responsible for any lost or damaged items left at the show site.

CHECK-IN and MEASURING

We will not be using Armband labels at these trials. However, you will need to know your Armband number in order to do an At Trial move-up. Please bring a printed or an electronic copy of your trial confirmation so you will have your armband number with you. We will have a Volunteer Measuring Official (VMO) at our trials on Friday and Saturday only. All dogs needing to be measured must be measured by a VMO prior to running. Any dogs who did not get measured FRI / SAT must have their height checked by one of the judges of record on Sunday. Measurements will take place from 7:30am to 7:45am each day. Additional measurements during the trial are subject to VMO availability. Please remember that our VMO is also an exhibitor and a "Volunteer"!

DO NOT RISK A Q – GET MEASURED BEFORE RUNNING

RUNNING ORDER & SCHEDULE

EX/MAS STD and EX/MAS JWW walkthroughs will be split as follows:

- 4”- 8” WALK/ RUN
- 12” WALK/ RUN
- 16” WALK/ RUN
- 20” – 24C WALK1 – WALK2 Run ALL

All other classes with 2 walks are noted in the class tables.

Open and Novice FAST will walk together and run combined by Jump Height

All other classes will have one walkthrough. Walkthru groups will marked in Agility Gate

NOTE: When Class walkthroughs are split into 2 walks there will be no 5 minute break until the first dog

If you think you will miss your scheduled walkthru due to a conflict, walk with an EARLIER jump height!

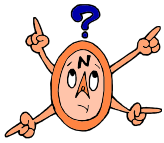

For those with conflicts, you are asked to please walk the courses with an EARLIER height group if the conflict would mean you can't walk with your height class. You can also run at the end of the earlier height group or at the beginning of your height group instead of at the end.

All conflicts must be approved by the judge.

We realize that handlers with multiple dogs will have some conflicts.

Please be sure to mark yourself as a conflict using Agility Gate and/or notify the Gate stewards in **BOTH RINGS**.

TRIAL INFORMATION

- By signing your entry form, **you and any family you bring with you**, agreed to follow these rules. Failure to do so will result in expulsion from the trial and the T. Ed Garrison Arena with no refund of entry fees or RV/camping fees.
- **Course maps.** There will no paper course maps for exhibitors. Course maps for the current day will be posted on Agility Gate each morning. There will also be a paper copy of the maps posted upstairs and down by the rings.
- **Gate sheets** - check-in using the Agility Gate app. There will be a display iPad running Agility Gate between the rings for exhibitors who do not have their devices downstairs. Exhibitors are still responsible for arriving on time for their walk-throughs and runs.
- Bring your phones down to the ring to follow where they are on Agility Gate. There will be a table opposite each ring to leave your phones and dog treats.
- Be mindful and do not crowd the gate steward when they are ringside.

AGILITY GATE APP

We will be using the Agility Gate app. This allows exhibitors to check in for their runs through the app and to follow along by looking at the gate sheets as dogs are crossed off when they run. To use the Agility Gate app, please download it from the Apple App Store or the Google Play Store.

Using Agility Gate you can:

- Check in your dog / Mark your dog ABSENT / Mark a CONFLICT
- Follow in real time to see who is running in the ring using the running order. On the app you can see as the gate steward marks each dog on the line the same way you would see it on the paper gate sheets. You will be able to see the whole gate sheet to know how many dogs before your run or how many dogs are left in that class.
- Download the course maps *available the morning of the trial*

Please visit: <http://agilitygate.com> before the trial to see how it works. Watch the video on the site to see it in action.

We will send a code to access the CDCA Trial closer to the trial.

- The preliminary running order for the trial will be posted on the GoneDoggin' website no later than Wed., Nov.22nd.
- For the most current running order for each day, use the Agility Gate App.

Please feel free to contact us should you need anything further. We look forward to seeing you and wish everyone safe travel and clean runs!
