Please bring a printed or an electronic copy of your trial confirmation so you will have your armband number with you. We are scheduled to have 3 VMOs (volunteer measuring official) at this trial. All dogs needing to be measured must be measured PRIOR to running. Measurements will take place before each class as needed.

February CVSSC Trial Updated COVID19 Procedures and Trial Info

You are required to sign the covid19 waiver to participate in the trial.

Please note that these rules have been updated to reflect the new COVID restrictions from the Governor's Executive Order Number 67 and Order of Public Health Emergency Seven.

- **Masks.** You must wear a mask at all times while on LUDS property. Mask MUST fully cover the nose and mouth, be snug to the sides of the face with no opening; i.e. no mesh, valves, etc. If you wear a face shield you must also wear a mask.
- **The updated mask policy means there is NO EATING OR DRINKING INSIDE LUDS.**
- **Health Screening.** A health screen will be done before entering the building for the first time.
- **COVID Overseer.** A LUDS staffer will be in charge of COVID procedure inside and outside of the building. Anyone refusing to comply with current regulations will be asked to leave with no refund.
- **Social Distance.** Please maintain 6-10 feet of social distance at all times. We understand that people and dogs need to move around/stretch to get ready to compete – please be mindful and do not congregate on the grass, parking lot, while walking dogs, etc. If you are not getting ready to run or walking your dog, we ask that you stay in or near your car to help us keep everyone at safe distances around the property.
- **Crating.** Exhibitors must crate out of their vehicles. Please pack accordingly.
- **One way entry/exit** as follows: Enter the building on the parking lot side and exit on the other side where the street goes between the buildings.
- **Volunteers.** Worker sign-up link will be posted to the GoneDoggin' Agility website. Bottled water will be available for volunteers. Volunteers will be entered in a raffle for a chance to win virtual gift-cards. The volunteer-coordinator will enter everyone who is working; winners will be notified via email.
- **Gate sheets** - check-in using the Agility Gate app. There will not be paper gatesheets.
- **Course maps** will be posted to the GoneDoggin' Website. www.GoneDogginAgility.com , no later than 9pm. The course maps will also be posted on the wall outside the ring, but please do not congregate around them. Use your phone camera to take pictures of the maps if you haven't downloaded the maps.
- **Briefings.** There will only be briefings for Novice & Open classes. No briefings for Ex/MAS, Premier or T2B. Our judge will be available for questions if needed.
- A LUDS staffer or gate steward will let each group into the building to walk, through the Entry door, once the previous group has completed their walkthrough and exited using the Exit door.
- Only the next 5 dogs in the ring will be allowed in the ring area. There will be five chairs socially distanced to stage the five dog & handler teams inside the building.
- **Trial results** will sent out through the REMIND app.
- **Ribbons** will be self-serve on a table for pick-up. We will make an announcement via the REMIND App when they are released. Please queue up to come inside and only come in 1-2 at a time.
- As per AKC guidelines... "Exhibitors may choose to place leashes in their pockets or wear them (around waist, crossbody, etc.) during their runs. If the dog grabs the leash the run will be scored as an "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog grabs the leash".

APPS to Help Keep Exhibitors Informed.

We will be using two apps to help manage the trial. Remind and Agility Gate. Please download Agility Gate and remind to your devices. **Please keep in mind that these apps are only an aid.** Exhibitors are still responsible for arriving on time for their walk-thrus and runs.

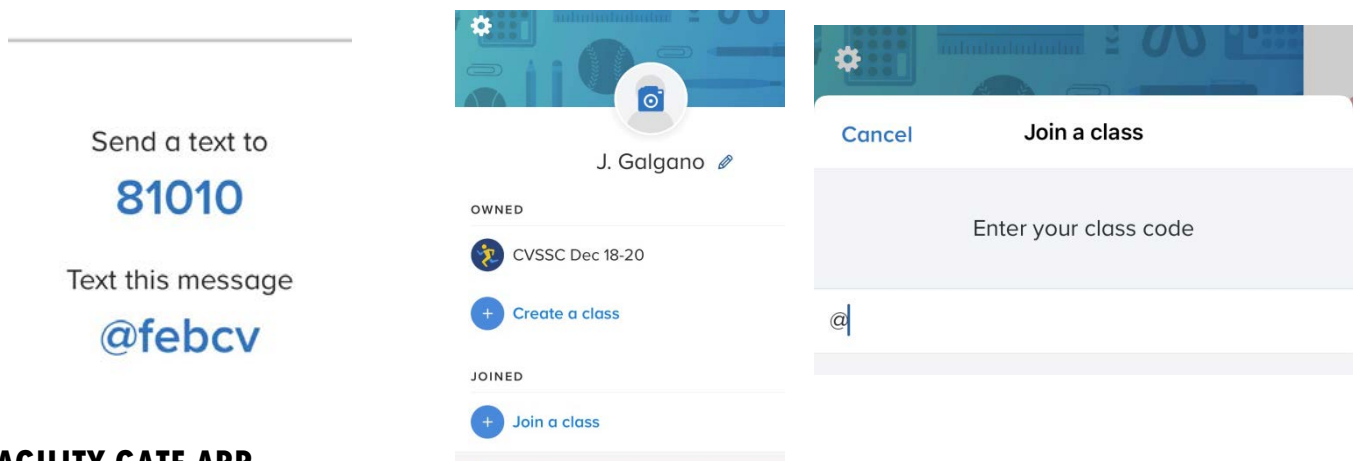

REMIND APP

We will be using the Remind app during the weekend to send announcements in order to keep exhibitors informed. Please use the following link to download the Remind app on your phone: [here](#)

Add the app to your phone and make an account (select parent as role). You can manually join the class by using the class name “febcv”.

You can also join by sending a text to 81010. Text this message: @febcv

Within settings (the gear icon), **you can change how you get notifications** – disable email and text messages if you don’t want your phone blowing up constantly. To check announcements, navigate to the “messages” tab and select “Announcements”.

AGILITY GATE APP

We will also be using the Agility Gate app. This allows exhibitors to check in for their runs through the app and to follow along by looking at the gate sheets as dogs are crossed off when they run. To use the Agility Gate app, please download it from the Apple App Store or the Google Play Store.

Using Agility Gate you can:

- Check in your dog / Mark your dog ABSENT / Mark a CONFLICT
- Follow in real time to see who is running in the ring using the running order. On the app you can see as the gate steward marks each dog on the line the same way you would see it on the paper gate sheets. You will be able to see the whole gate sheet to know how many dogs before your run or how many dogs are left in that class.
- Download the course maps *posting time is dependent on the schedule of the app developer*
- You cannot check-in until 6 am on the morning of each trial day. This is a precaution so people do not check in and then forget to mark themselves absent if they decide to not run.
- *The Agility Gate code will be emailed out closer to the trial*

Please visit: <http://agilitygate.com> before the trial to see how it works. Watch the video on the site to see it in action.
