Day to Day move ups (Friday to Saturday and Saturday to Sunday) **must be submitted in person** to the trial secretary no later than 15 minutes after the last run is judged for each class (STD and JWW).

You **MUST** fill out a move-up at the trial to do an at-trial move-up – no exceptions.

EMAILS ARE NOT ACCEPTED FOR AT-TRIAL MOVE-UPS.

MEASURING

We are scheduled to have two VMOs (volunteer measuring official) at this event. Dogs needing to be measured must be measured by the VMO before running.

We will not be using Armband labels at these trials. However, you will need to know your Armband number in order to do an At Trial move-up. Please bring a printed or an electronic copy of your trial confirmation so you will have your armband number with you.

VOLUNTEERS

Agility trials can't be run without the help of volunteers. *A worker sign-up link will be posted next week to my website* All workers will be provided with a dollar amount towards Sam's food truck- just sign your name on the notepad after you order. We will also have worker water and a certificate raffle. Help us keep costs down and work multiple classes if possible - Danville KC truly appreciates ALL volunteers. Please check in with Genevieve Neale, Mary Oppermann, or Judy Smotrel at the trial or use the sign-up board.

Trial Information and Rules

- ODAC & DKC will follow all current CDC guidelines for covid19 safety precautions.
- There are real bathrooms with warm water in the upper floor AND on the lower floor by the Standard ring (right outside the door). Please wash your hands. If the ODAC has another event at the same time as our trial, we will be limited to the bathroom by the STD ring and the bathrooms out in the stalls as a preventative measure.
- **Mask Policy:** We appreciate that many people have been vaccinated so things should be back to relatively normal, but let's continue to be respectful of our community. Keep a social distance and no masks unless personally needed. Let's keep washing our hands and sneezing into our elbows ;))
- **Crating** is allowed inside and outside in the cattle stalls. You can park on the gravel lots along either side of the building as long as you are within the gated area and not along the fire lane that extends along the back of the arena.
- **Check-In** – We will be using Agility Gate – there will not be paper gate sheets. There will be a “display” iPad by the ring for exhibitors to look at or check-in without needing their personal devices by the rings.
- **Bring your phone down** to the ring so you can follow along on Agility Gate and then leave it on the treat table to run. Change your lock screen to a picture of your dog/yourself to make any lost phones easier to return!
- Only the **next 6 dogs** in the ring will be allowed in the ring area to keep numbers down. Chairs will be along the wall to stage exhibitors.
- **Course maps** will be available on Agility Gate and posted by each ring.
- **Briefings:** Briefings are required again but you do not need to be in the ring to listen to them.
- **Ribbons** will be available for self-serve pick-up. **Trial results** will be posted on the wooden stand.
- We will have worker water & Sam's food truck available but not worker snacks.
- You may use a leash that fits in your pocket or around your waist or cross body during your run. Per AKC guidelines: “exhibitors may choose to place leashes in their pockets or wear them (around waist, cross body, etc.) during their runs. If the dog grabs the leash, this will be scored as "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog was to grab it.” A leash-runner will be available for exhibitors who do not wish to carry their leash while on course.

AGILITY GATE APP

We will be using the Agility Gate app. This allows exhibitors to check in for their runs through the app and to follow along by looking at the gate sheets as dogs are crossed off when they run. To use the Agility Gate app, please download it from the Apple App Store or the Google Play Store. **Please keep in mind that this app is only an aid.** Exhibitors are still responsible for arriving on time for their walk-thrus and runs.

Using Agility Gate you can:

- Check in your dog / Mark your dog ABSENT / Mark a CONFLICT
- Follow in real time to see who is running in the ring using the running order. On the app you can see as the gate steward marks each dog on the line the same way you would see it on the paper gate sheets. You will be able to see the whole gate sheet to know how many dogs before your run or how many dogs are left in that class. Visit: <http://agilitygate.com> before the trial to see how it works.
- Download the course maps *posting time is dependent on the schedule of the app developer*
- You cannot check-in until 6 am on the morning of each trial day. This is a precaution so people do not check in and then forget to mark themselves absent if they decide to not run.
- *The Agility Gate code will be emailed out closer to the trial*
